HARDISTY
JUNIOR HIGH
SCHOOL

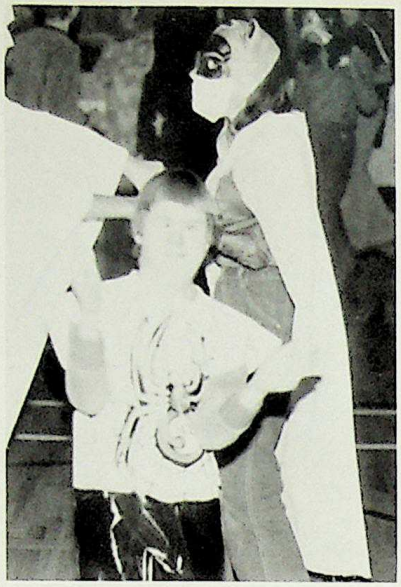
The 1981-82 school year is drawing to a close. As we look back, we try to remember 'The Best of Times' at Hardisty Junior High School.

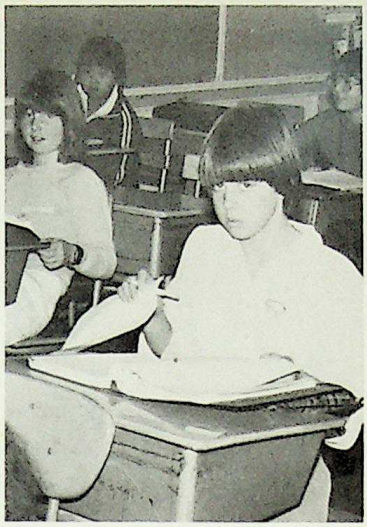
In October, Participaction made its rounds. The students enjoyed rollerskating, bowling, swimming and other activities. In the afternoon they were involved in the Hardisty 500, orange relay, frisbee throw and hockey blowing contest.

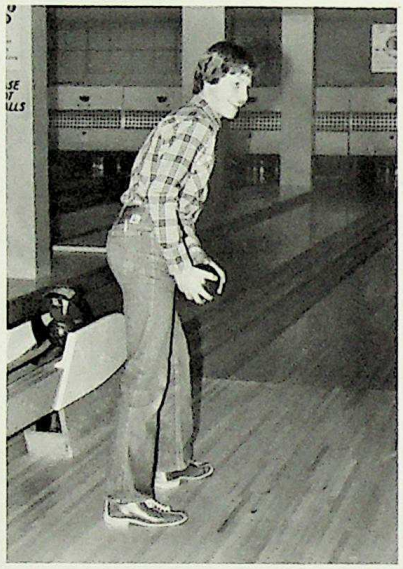
December came and once again the Christmas dance was a success. The month of February brought on Valentines. The King and Queen of Hearts were chosen from competing candidates.

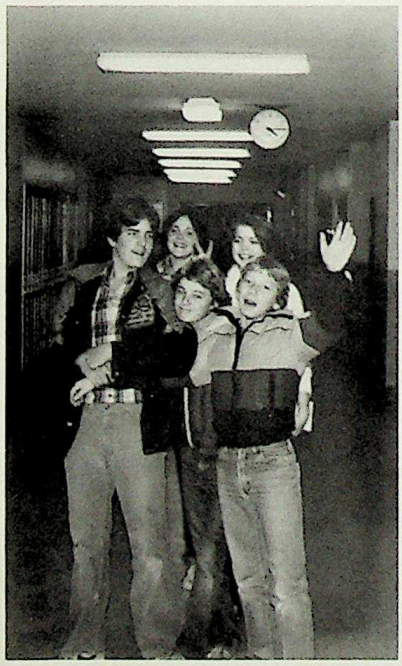
Graduation will mark the end of Junior High years for Grade 9 students, however, high school will offer new and interesting opportunities to them.

The yearbook staff hopes that the best of times over the past year are reflected in this yearbook.

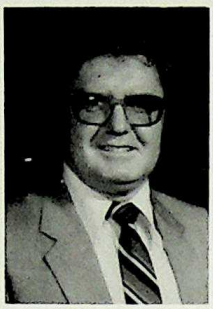








# Administration



As one reflects, the years spent in school become more meaningful and special to all of us. These are the "Best of Times", our opportunity to extend our friendships and develop our abilities.

Learning is a lifetime activity in which from birth, each individual seeks to cope with and modify his environment. Since Hardisty School affects the life of each student who attends, it bears the responsibility for ensuring that every student has the opportunity to acquire the attitudes, skills and knowledge which will help them grow, both as a person and as a useful member of our society. Our school is therefore, responsible for providing the conditions which will enable all the students to be themselves, learn from their environment, enjoy the present, prepare for the future, and to create and to love, face adversity and behave responsibly. The achievement of these ends rests with all of you.

The cooperative efforts of students, and staff in all school activities, makes our school experiences enjoyable and most rewarding. Your yearbook committee has captured many memories at Hardisty that we will all treasure. May we extend our thanks to the committee and their advisor for their efforts.

We wish all our students every success in their future endeavors, and especially to the Grade Nine students who will be leaving us.

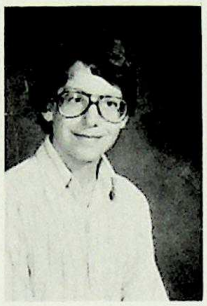
# In Memoriam



Scott Andrew Samborsky
March 27, 1967 - November 1, 1981

Scott spent his first six years of schooling at Gold Bar Elementary and his junior high years at Hardisty Junior High. After a lengthy illness, Scott departed to a place far beyond. He was an honour student with a good attitude.

Scott enjoyed reading, collecting coins, playing the piano, football, racquetball and volleyball. His interests were widely spread. He was fascinated by the stock market and the Canadian legal system.

When the day of departure arrived we were all mournful to receive word of his passing.

"And as every sound
shall end in silence,
the silence never dies."

Front Row: Heidi Schulz, Angela Beyer, Dan Leavitt, Dana Samycia

Editors' Message

*We enjoyed being editors of the Yearbook this year. It could not have been possible to produce the book without the help of the rest of the staff and the advice of Mr. Chamzuk. We hope that this Yearbook will help remind you that these were the "Best of Times".*

*Allen Harrison*

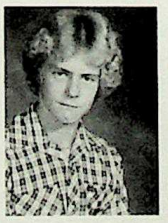
## President's Message

*Being elected president of Hardisty's Student Council has made my last year at Hardisty Junior High a most memorable one. At this time I would like to give thanks to all the members of both Executive Board and Student Council, everyone had real spirit which made my job easier. I would like to thank Mr. Irons and Miss Davies who led us through the year in a most appreciative manner. In conclusion, I would like to thank you, the Student body, for making this year a most successful one.*



Steve Jenkins
